What's the big deal about 100% fiber? It's simply a better connection. MetroNet's cutting-edge fiber technology delivers unprecedented bandwidth giving you access to:

- Ridiculously fast internet speeds (up to 1Gig!)
- Stunning TV
- Clear, reliable phone

Stream, study, game, browse, and binge on multiple devices at the same time with virtually no buffering. No data caps and no long-term contracts.

YOU'RE GOING TO LOVE 100% FIBER!
